Kolor And Space is a newly set up art community project. Led by an artist and a freelance workshop leader Kasia Breska. It aims to provide an opportunity to create and learn in a friendly and relaxed environment.

Learn about various techniques like collage, collaborative large scale drawing, mono printing, watercolour, mixed media and much more!

There will be a chance to try out diverse materials, build structures and get wild with your imagination.

...

For the 'Cut&Paste' session please bring:

- Your fabulous open mind
- Scrap paper or any paper
- Glue (PVA, stick glue)
- Scissors

For the 'Go Abstract':

- Drawing paper
- Pencils, crayons, watercolour paint
- Brushes, water based paint

There will also be plenty of materials provided by the leading artist.

All children must be accompanied by parents or carer.
